ENROLMENT PROCESS and ASSESSMENT of SWIMMING LEVEL

The Vacation Intensive Program (VIP) is a heavily discounted program which is offered by Wavelengths Education and Training as a community service. Families who are interested in joining the VIP are invited to send an e-mail message to Paula at bookings@electricceels.org.au with details of the ages and estimated swimming level of each participant. All participants new to the Electric Eels Swimmer Development Program will be offered a free of charge assessment lesson at a mutually convenient time. Once a decision has been made to proceed with a booking every effort will be made to provide a place in the program at a time which suits family circumstances.

TERMS and CONDITIONS

The program is offered during the two (2) weeks of the 2022 Education Queensland Spring School Vacation period. The fee schedule is structured on a 1 week block. Once a booking has been made an invoice for the fees will be sent through UDIO to the email address provided. No refunds can be offered. A make up will only be offered if there is space in an appropriate lesson/session in the same week of the booking. If a serious injury or illness occurs to a participant in the program an offer of a make up will be made in the subsequent term program.

PAYMENT PROCESS

All bookings will be confirmed with an e-mail message to the family's nominated e-mail address. The message will include the lesson days and times and an initial invoice with details of the payment options. Payment should be made within seven (7) days of the receipt of the invoice to secure a place in the program and to take advantage of the discounted fees. Please note that GST does not apply to learn to swim and water safety lessons.
